TRANSMITTAL OF SUBSTITUTE DECLARATION

Mail Stop Issue Fee Commissioner For Patents Post Office Box 1450 Alexandria, Virginia 22313-1450

Sir:

In connection with the referenced patent application, applicant encloses a substitute Declaration.

In preparing the "Response To Notice To File Missing Parts" on 28 June 2004, a former employee of applicant's undersigned representative mistakenly filled in the application number and filing date on page 1 of the Declaration, even though the Declaration was already signed and dated by all three inventors -- signed and dated, in fact, prior to the filing of the application. The enclosed substitute Declaration seeks to eliminate any appearance of fraud or intent to deceive that the original Declaration may have created in the prosecution record.

Favorable consideration is respectfully requested.

Customer Number 21828 Carrier, Blackman & Associates, P.C. 24101 Novi Road, Suite 100 Novi, Michigan 48375 20 March 2006 Respectfully submitted,

William D. Blackman Attorney for Applicant Registration Nr. 32,397
